About Dealsuite

Dealsuite makes deal sourcing more efficient and effective; This way you create the highest deal potential at the best value for your client.

Currently more than 400 corporate finance and investment firms already declared Dealsuite as their sourcing tool of choice; Including more than half of the top 10 accountancy firms.

For 75% of the deal mandates posted, Dealsuite delivered contacts that led to the deal.

How does it work?

You can use Dealsuite for deal making with corporate finance and investment firms from all over the world. The tool allows you to selectively share the proposition with firms of your choosing. Our intelligent matching algorithm ensure you only receive deal mandates that are relevant for you.

We understand that your client requires discretion

Dealsuite ensures that you remain the trusted advisor of your client and stay in full control of the deal. Dealsuite is only accessible for M&A professionals and meets the highest possible IT safety standards. Furthermore all deal mandates are anonymized by a codename.

“BDO is very active in cross-border deal-making. We use Dealsuite to communicate about dealmandates within BDO internationally and with external M&A firms. Dealsuite is easy to use and the information is always up-to-date and accurate.”
